Tucked away in the heart of North Raleigh lies an oasis of finely groomed fairways and exemplary approaches. Two championship 18-hole courses offer a beautiful and challenging opportunity to enjoy one spectacular private golfing experience with friends, colleagues, and family. With our state-of-the-art Learning Center, six Golf Professionals, and over 75 years of combined experience in the golf industry, North Ridge Country Club has the ability to lower your score and raise your expectations.

The original course was designed by George Cobb (architect of notable designs or renovations such as par 3 course at Augusta National, Quail Hollow, and East Lake). Later an additional course was added by architect Gene Hamm. Renovations on both courses were completed by John LaFoy, and most recently the Oaks Course was fully renovated by notable architect Kris Spence.
